*All jobs marked with an asterisk include a "restring and clean." (a \$25+ value)

**Hide Glue Note - We are fully experienced and equipped to do any of the above repairs with all-natural hide glue. We strongly recommend this for all instruments originally constructed with hide glue and for those who want a superior wood joint.

Pricing is for labor only and reflects a \$60/hour service charge. Strings and other required parts are not included in the above pricing.
